A Reimagined Small Business Sales Experience

Save time, sell more and increase productivity! Introducing [Benefitter](#), an online sales tool that helps brokers more effectively manage quoting for small business health insurance. It's a one-stop shop for selling Health Plan of Nevada (HPN), Sierra Health and Life (SHL) and UnitedHealthcare (UHC) plans at no cost to our broker partners.

Seamlessly conduct business digitally:

- Build a HPN, SHL or UHC proposal in under 5 minutes.
- Update and simplify the process with mobile-optimized questionnaires.
- Collect employee elections with no setup and go quote to card — all from a smartphone.

Created by brokers for brokers, this tool offers all-in-one capabilities designed to help you:

- Automate carrier processes with an easy-to-use app. No more paperwork. No more scrambling to gather information.
- Gain the ability to focus on adding value to current clients and attracting new customers.
- Expand your strategic and consultative capability by easily adjusting contribution strategies and plan options in real-time.
- Quickly access SBCs!

Start using Benefitter!

Benefitter available in all 50 states and a wholly owned subsidiary of UnitedHealthcare. To create an account, your agency email address must match UnitedHealthcare's records Get started today! Register [here](#).
