

BROKER NEWS

February 11, 2021

Individuals will have the opportunity to enroll in an On or Off Exchange plan starting February 15 through May 15, 2021.

While this special enrollment period was created in response to the pandemic, individuals don't have to be impacted by COVID-19 to benefit. This is another opportunity for uninsured Nevadans to purchase new coverage.

Now available on the broker portal:

- We've made it easier for you to share links directly from the portal. Simply sign in to the [broker portal](#) and create a new email to send to your clients.
- You also have the option to make plan selections with rates and email the information to prospective members. Then the prospect can use the link provided in the email to complete their online enrollment application including name, address and payment information.

What you need to know:

- Plans start the first of the month after selection (e.g., if they enroll February 20, their plan begins March 1)
