

## BROKER NEWS

**May 14, 2020**

### **Updates:**

- **COVID-19 RETURN TO WORKSITE INFORMATION**
- **COVID-19 SYMPTOM CHECKER**

### **COVID-19 Return to Worksite Information:**

As employers across the country prepare to return to the worksite, careful and deliberate planning can help make it a successful transition.

Health Plan of Nevada (HPN) and Sierra Health and Life (SHL) will provide access to information regarding return to worksite guidelines pertinent to a customer's business and employees.

A broker or HPN/SHL customer may authenticate and access the Return to Worksite Toolkit through the [Online Broker Center](#) and [Online Employer Center](#). The toolkit features helpful resources, information on COVID-19 testing, state-specific websites, and return-to-worksite considerations – from approaches to social distancing and facility access to managing business travel and more.

If you have problems accessing the material or would like to discuss this information, please contact your sales/accounts representative or your regular health plan contact.

### **COVID-19 Symptom Checker:**

HPN/SHL added a COVID-19 symptom checker to the member web pages for COVID-19 information. Members can assess their risk for COVID-19 and get treatment options through this tool. The COVID-19 symptom checker was recently promoted by email with employers and members.
