Updated 2021 Small Business Product Portfolio

Our updated 2021 Small Business product portfolio provides information on our 2021 plans and includes some key highlights:

- New plans added for 2021, introducing HPN Balance HMO plans
- Contracted with all major hospitals in Nevada
- Continued \$0 cost share for NowClinic® virtual visits
- New \$0 cost share for children's primary care visits

The updated 2021 Small Business product portfolio also includes a revision to the 8100/0% PPO plan, removing the reference to it as an HSA plan. Please replace any earlier versions of the portfolio with the updated one.

You can find a copy of the portfolio on the [broker portal](#). If you have any questions, please contact your sales/account representative.
