Health Plan of Nevada and the American Foundation for Suicide Prevention are hosting a special virtual event.

More Than Sad: A virtual presentation on youth suicide prevention

The presentation is no cost and open to the community. It will provide information on how to help prevent teen suicide and where Nevada's parents and caregivers can turn for help. The More Than Sad family of programs has taught over a million students, parents and educators how to be smart about mental health.

Parents will learn how to recognize signs of depression and other mental health problems, initiate a conversation with their child, and get him or her help.

Wednesday, February 3, 2021

4 p.m. to 6 p.m.

Space is limited. Register using Google Chrome at <https://mtsbho.attendase.com/>.

This program is appropriate for general audiences and for participants age 18+. We encourage you to share the registration link.

The American Foundation for Suicide Prevention focuses on eliminating the loss of life from suicide by: delivering innovative prevention programs, educating the public about risk factors and warning signs, raising funds for suicide research and programs, and reaching out to those individuals who have lost someone to suicide.
