CAA Gag Clause *Confirmation of Compliance* now available

CAA Gag Clause attestations are required by December 31, 2023, deadline.

Background

The CAA provision requires an annual “gag clause prohibition compliance attestation” (GCPCA). Health Plan of Nevada (HPN) and Sierra Health and Life (SHL) will attest for fully insured customers as required. Attestations are required by December 31 beginning in 2023.

HPN/SHL completed the review of agreements and compliance with the prohibition of gag clauses on price or quality information as required under the CAA Gag Clause. HPN/SHL confirmation of compliance includes OptumRx.

If you have any other questions, please contact your HPN/SHL sales representative.
