As a reminder, Paytient is now available to Health Plan of Nevada (HPN) Individual On Exchange plan members. Let your clients know about Paytient, an interest-free line of credit that helps them and their dependents better access and afford care.

You can use this email template to notify HPN On Exchange plan members:

Subject Line: Helping HPN On Exchange members afford care

Hello,

Great news! As an HPN On Exchange member, you are eligible to apply for a Paytient Visa[®] card. You can pay for your doctor's visit¹ with the Paytient card² and repay over time – **without any interest or fees.** The Paytient card helps you access and afford care with a \$1,000 interest-free line of credit for individuals and \$2,000 for individuals with dependents on their plan.

Having a Paytient card in your wallet means you don't have to pay upfront for additional tests, follow-up visits, or medications that might result from your preventive care visit.

Here is how to get started:

1. Get started at Start.Paytient.com/HPN.
2. Enter your phone number to apply for your account.
3. Explore all the different places you can access care now and pay overtime with no interest or hidden fees!

Best,

Paytient is not affiliated with HPN and all services are provided by Paytient and not HPN.

¹Note: The Paytient card works with providers in certain approved merchant categories. The provider self-selects their merchant category, and in some cases, a provider might not be categorized as expected.

²Subject to approval
