Helping add value to your health plan at no additional cost – Peloton® App included with Health Plan of Nevada (HPN) and Sierra Health and Life (SHL) group plans. Offer ends June 30, 2023.

A Peloton App Membership gives members and participants access to an extensive library of live and on-demand digital classes — from cardio and HIIT to strength training and yoga. It's designed to help keep them motivated and reach their activity goals, with:

- Something for nearly every fitness interest, ability and schedule — from 5-minute meditation classes to 90-minute outdoor running sessions
- The flexibility to get active anytime, anywhere — no fitness equipment required — via the App on a mobile phone, tablet or TV
- A year-long Peloton App Membership — a value of \$155

Eligible members and participants who already have an All-Access Membership can get a credit toward their All-Access Membership.*

In addition, we are offering preferred pricing for members and participants to purchase* the Peloton Bike, Peloton Bike+, and Peloton Tread for \$100 off retail price.

This offer is good for your clients, too — because it brings greater value to their benefits plan and may help them attract and retain employees.

For more information, contact your HPN/SHL sales representative and visit our websites at [HPN](#) and [SHL](#).
