COVID-19 and your health plan

We know there are a lot of questions about COVID-19. As the situation changes, Health Plan of Nevada (HPN) and Sierra Health and Life (SHL) are here for you and your employees.

In addition to supporting your employees with our 24/7 advice nurse service, COVID-19 symptom checker and expansion of virtual visits, we provide information and resources about COVID-19 on our member websites.

HPN/SHL is sending members with an online member center account an email about the COVID-19 information and resources page and a reminder about the 24/7 advice nurse service.

Direct links to the member COVID-19 information pages are below:
