Last Chance to Claim Peloton® App Membership and Equipment Discount – Offer Expires June 30, 2023

The 1-year Peloton® App Membership and \$100 equipment discount* for Health Plan of Nevada (HPN) and Sierra Health and Life (SHL) members ends June 30. All new and renewing business, effective July 1 and later, will no longer have this benefit offer. If your eligible employees have not activated the offer through our online member center, they must activate it by June 30 to receive a 12-month subscription.

How the Peloton App Membership works

A Peloton App Membership gives your employees with an HPN/SHL plan access to an extensive library of live and on-demand fitness classes that can help improve their overall health and well-being – at no additional cost until June 30.

Eligible employees can obtain their personalized code by signing into our online member center. Once they receive a personalized code, they can use it to activate their 12-month subscription to Peloton App or a 3-month waiver to a Peloton All-Access Membership.

At the end of the 12-month membership, participants will have the opportunity to renew the Peloton App Membership at market rate directly through Peloton.

*Through June 30, your employees with an HPN/SHL plan can also purchase the Peloton Bike, Bike+ or Tread at \$100 off retail price.

Existing Peloton App Memberships

Your employees with an existing paid Peloton App Membership will be given the option to cancel their current membership before claiming the HPN/SHL-subsidized one. HPN/SHL members with an existing Peloton All-Access Membership will be provided a 3-month waiver.

If your employee creates a new Peloton subscription through HPN/SHL's program using the same email address from the canceled subscription, they'll maintain their Peloton history, including workouts and settings.

Questions?

If you have any questions, contact your assigned HPN/SHL Sales representative.
