

HEALTH PLAN OF NEVADA
A UnitedHealthcare Company

Effective January 1, 2021, Health Plan of Nevada is pleased to announce the HMO AHP PLUS Plans. These new PLUS plans provide more first dollar coverage to simplify the health care experience and give members more predictable cost share.

There are four new AHP HMO PLUS plans with varying copays will differ depending on the plan chosen.

Here is a copy of the new HPN PLUS Plan member ID card:

Frequently asked questions:

- How will I identify a member as having the PLUS PLAN? **Their ID card will say “HPN HMO PLUS PLAN” in the top right corner.**
- Will referrals be required to a specialist, or can the member see the specialist without a referral? **Yes, a referral is required.**
- Is Prior Auth required? **Yes, for anything with a billed amount greater than \$750.**
- Does the member need to select a PCP? **Yes, the member will need to select a PCP.**
- What hospital can the members use? **The member must be sent to an HPN HMO contracted facility.**

If you have questions regarding member benefits, please check the online provider center or call Member Services at (800) 777-1840.

If you have any questions regarding the new HPN PLUS Plans, please contact your Provider Advocate directly, or call Provider Services at (702) 242-7088 or (800) 745-7065
