

17 - Mental Health/Substance Abuse

This section of the Provider Summary Guide (PSG) includes information specific to behavioral health. The provider is responsible for understanding and agrees to abide by the entire Provider Summary Guide.

HPN manages both the member's physical and behavioral health care benefits. The member can work with our behavioral health department to find a behavioral health care provider. If you have questions about behavioral health or wish to request care coordination for a member, please call Health Plan of Nevada's behavioral health department, Behavioral Healthcare Options (BHO) at **(702) 364-1484** or **(800) 873-2246**.

Access

Members in crisis have access to clinical support 24 hours a day, 7 days a week by calling BHO at **(702) 364-1484** or **(800) 873-2246**. BHO establishes standards for appointment access and after-hours care for our members:

- Routine behavioral healthcare – Access within ten business days
- At Risk Access-Urgent – Access within 48 hours
- Expedited-Crisis –Non-life Threatening Emergency Services- Access within 6 hours
- Stat-Life Threatening Emergency Services-Immediate Access

Authorizations

Members may access all behavioral health outpatient services (mental health and substance use) without a referral. Prior authorization may be required for non-routine/intensive services, such as day treatment, Intensive Outpatient Program (IOP), Residential Treatment or Partial Hospitalization Programs and non-emergent/urgent elective admissions to Inpatient.

BHO staff is available 24 hours a day, 7 days a week to receive *inpatient* authorization requests. For non-emergent authorizations, please contact the behavioral health department Monday to Friday 8am to 5pm for help to ensure prior authorizations are in place before rendering services. Get prior authorization by calling BHO **(702) 364-1484** or **(800) 873-2246**.

Note: Prior authorization of urgently/emergently needed care is NOT required. However, notification of such services is expected.

For additional information on **Authorizations**, please see **Section 9 Utilization Management**.

For additional information on:

- **Appeals**, please see **Section 9.9 Appeals Process**.
- **Medicaid Action, Notice of Action and Appeals**, please see **Section 8.18 Medicaid Guidelines**.
