Getting started

We want you to get the most from your health plan right away. Start with these three easy steps:

- 1. Call your Primary Care Provider (PCP) and schedule a checkup.** Regular checkups are important for good health. Your PCP's phone number should be listed in the PCP assignment letter that you recently received in the mail. The PCP listed in this letter is not the only provider that you can see. You can access care at any participating provider. If you don't know your PCP's number, or if you'd like help scheduling a checkup, call Member Services at **1-800-962-8074**, TTY **711**. Or stop by our offices for concierge, personalized, in-person services. We're here to help.
- 2. Take your Health Survey.** This is a short and easy way to get a big picture of your current lifestyle and health. This helps us match you with the benefits and services available to you. Go to [MyHPNMedicaid.com](https://myhpnmedicaid.com) to complete the Health Survey today. Also, we will call you soon to welcome you to the Health Plan of Nevada. During this call, we can explain your health plan benefits. We can also help you complete the Health Survey over the phone. See page 15.
- 3. Get to know your health plan.** Start with the Health Plan Highlights section on page 11 for a quick overview of your new plan. And be sure to keep this booklet handy, for future reference.

Oral interpretation services in languages other than English are available through our Member Services Department. Please call **1-800-962-8074** for help.

Hearing impaired members may contact us at **1-800-962-8074** by calling through the **711** relay service.

Visually impaired members may call our Member Services Department for help at **1-800-962-8074**. We can also give you documents in larger print for easier reading.

Your opinion matters

Do you have any ideas about how to make Health Plan of Nevada better? You can give us suggestions on our policies and services. There are many ways you can tell us what you think.

- Call Member Services at **1-800-962-8074**, TTY **711**
- Join our Member Advisory Council. Every three months, Health Plan of Nevada's Medicaid team hosts an advisory council meeting with members to hear ideas on how we can improve our health plan. You can join by calling Member Services or email HPNbenefits@uhc.com.
- Visit us or write to us at:

Health plan ID cards

You will get a health plan ID card from Health Plan of Nevada for each of your family members who receive Medicaid benefits. As a member, you should:

- Take both your health plan ID card and your State Medicaid ID card to your appointments
- Show it when you fill a prescription
- Have it ready when you call Member Services; this helps us serve you better
- Do not let someone else use your card(s). It is against the law

Lost your health plan ID card?

If you lose your ID card, you can print a new one at [MyHPNMedicaid.com](https://myHPNmedicaid.com), or call Member Services at **1-800-962-8074**, TTY **711**.

Nevada State Medicaid ID card

You will also get a Medicaid ID card from the State for each of your family members who receive Medicaid benefits.

If you need a replacement or have not received your Medicaid ID card, please contact the Division of Welfare and Support Services (DWSS) for assistance. Please see contact information below:

- For Northern Nevada: **775-684-7200**
- For Southern Nevada: **702-486-1646**
 - Option 1 for English, Option 2 for Spanish
 - Option 5 to speak to an Agent

Show both cards

Always show your health plan ID card and your State Medicaid ID card when you get care. This helps ensure you get all the benefits available to you. And prevents billing mistakes.

Health plan highlights

Benefits at a glance

As a Health Plan of Nevada member, you have a variety of health care benefits and services available to you. Here is a brief overview. You'll find a complete listing in the Benefits section.

Primary Care services

You are covered for all visits to your Primary Care Provider (PCP). Your PCP is the main doctor you will see for most of your health care. This includes checkups, treatment for colds and flu, health concerns and health screenings.

Behavioral Health services

You are covered for Mental Health and Substance Use Disorder Services. This includes inpatient and outpatient services. No PCP referral is required to access services. Find a complete list of Behavioral Health providers at [MyHPNMedicaid.com](https://www.myhpnmedicaid.com) or call 1-800-873-2246.

Large provider network

You can choose any PCP from our large network of providers. Our network also includes specialists, hospitals and drug stores — giving you many options for your health care. Find a complete list of network providers at [MyHPNMedicaid.com](https://www.myhpnmedicaid.com) or call **1-800-962-8074**, TTY **711**.

Telephone Advice Nurse

Our Telephone Advice Nurse Line gives you 24/7 telephone access to experienced registered nurses. They can give you information, support and education for any health-related question or concern. Call **1-800-288-2264**.

Specialist services

Your coverage includes services from specialists. Specialists are doctors or nurses who are highly trained to treat certain conditions. You may need a referral from your PCP first. See page 26.

Medicines

Your plan covers prescription drugs with no copays for members of all ages. Also covered: insulin, needles and syringes, birth control, and select over-the-counter products.

Hospital services

You're covered for hospital stays. You're also covered for outpatient services. These are services you get in the hospital without spending the night.

Laboratory services

Covered services include tests and X-rays that help find the cause of illness.

Well-child visits

All well-child visits and immunizations are covered by your plan.

Maternity and pregnancy care

You are covered for doctor visits before and after your baby is born. That includes hospital stays. If needed, we also cover home visits after the baby is born.

Family planning

You are covered for services that help you manage the timing of pregnancies. These include birth control products and procedures.

Ocular care

Your vision benefits include routine eye exams and glasses. See page 46.

Your Health Survey

A Health Survey is a short and easy survey that asks you simple questions about your lifestyle and your health. When you fill it out and mail it to us, we can get to know you better. And it helps us match you with the many benefits and services and some important community resources available to you.

Please take a few minutes to fill out the Health Survey at MyHPNMedicaid.com. Click on the Health Survey button on the right side of the page, after you register and/or log in. Or call Member Services at **1-800-962-8074**, TTY **711** to complete it by phone.

Member support

We want to make it as easy as possible for you to get the most from your health plan. As our member, you have many services available to you, including transportation and interpreters, if needed. And if you have questions, there are many places to get answers.

Website offers 24/7 access to plan details

Go to MyHPNMedicaid.com to sign up for web access to your Online Member Center account. This secure website keeps all of your health information in one place. In addition to plan details, the site includes useful tools that can help you:

- Find a provider or pharmacy
- Search for a medicine in the Preferred Drug List or Formulary
- Get benefit details
- Download a new Member Handbook

MyHPN mobile app

Easily manage your health plan information on the go. Search for MyHPN in your app store and download the app. Then sign in with your One Healthcare ID. First-time users will need to create an account. Use the MyHPN app to find out who is on record as your primary care provider (PCP), talk with an advice nurse, video chat with a provider, search for a doctor or care location, access your digital health plan ID card, and check the status of a referral or prior authorization.

Member Services is available 8:00 a.m.–6:00 p.m., Monday–Friday

Member Services can help with your questions or concerns. This includes:

- Understanding your benefits
- Finding a doctor or urgent care clinic
- Scheduling an appointment with your PCP

Call **1-800-962-8074**, TTY **711**. You can also use our concierge, or personalized, services. Stop by our offices and a member of our team would be happy to assist you. Walk in hours are 9:00 a.m.–1:00 p.m., Monday–Wednesday.

Disease Management program

If you have a chronic health condition, like asthma or diabetes, you may benefit from our Disease Management program. We can help with a number of things, like scheduling doctor appointments and keeping all your providers informed about the care you get. To learn more, call **1-877-692-2059**.

Transportation services are available

Non-emergency transportation to medical and behavioral services is available to Medicaid recipients. If you need a ride to a doctor's appointment, make your reservation a week before your medical appointment is scheduled. To book your reservation, please call MTM at **1-844-879-7341**, 7:00 a.m.–5:00 p.m., Monday–Friday.

HPN can help with your transportation needs. HPN provides bus passes and door to door non-emergency rides. These can be used for doctor appointments, the pharmacy, DMV, accessing Social Service programs and picking up needed resources like food, clothing and baby needs. Members must be working with one of our case managers or registered in one of our programs to qualify. Non-emergency transportation is not a benefit available to members with Nevada Check Up. To learn more, sign in to MyHPNMedicaid.com.

We speak your language

If you speak a language other than English, we can provide translated printed materials. Or we can provide an interpreter who can help you understand these materials. You'll find more information about Interpretive Services and Language Assistance in the section called Other Plan Details. Or call Member Services at **1-800-962-8074**, TTY **711**.

Si usted habla un idioma que no sea inglés, podemos proporcionar materiales impresos traducidos. O podemos proporcionar un intérprete que puede ayudar a entender estos materiales. Encontrará más información acerca de servicios de interpretación y asistencia lingüística en la sección Otros detalles del plan. O llame a Servicios para Miembros al **1-800-962-8074**, TTY **711**.

Transitioning from another health plan

When you join Health Plan of Nevada, be sure to check and see if your current doctor is part of our Network. If not, you may be able to continue seeing your doctor while you choose a new one. If you are currently receiving care, make sure to let us know so we help you transition to our plan. If you are taking medicine that is not covered by our health plan, we may approve your prescription for the first 60 days on our plan. Be sure to discuss getting a new prescription from your doctor. For help or questions about treatment during the first 60 days, please contact Member Services at **1-800-962-8074**, TTY **711**.

You can start using your pharmacy benefit right away

Your plan covers a long list of medicines, or prescription drugs. Medicines that are covered are on the plan's Preferred Drug List or Formulary. The PDL is a subset of all drugs covered under the plan. Your doctor uses these lists to make sure the medicines you need are covered by your plan. Health Plan of Nevada may cover other medicines with prior approval. If your drug does need prior approval, your care provider can request it for you. You can find both the Preferred Drug List and the Formulary List online at [MyHPNMedicaid.com](https://www.myhpnmedicaid.com). You search for a medicine name on the website. It's easy to start getting your prescriptions filled. Here's how:

1. Are your medicines included on the Preferred Drug List or Formulary?

Yes

If your medicines are included on the Preferred Drug List (PDL) or Formulary, you're all set. Be sure to show your pharmacist your State Medicaid ID card every time you get your prescriptions filled.

No

If your prescriptions are not on the Preferred Drug List (PDL) or Formulary, schedule an appointment with your doctor within the next 30 days. They may be able to help you switch to a drug that is on the Preferred Drug List or Formulary. Your doctor can also help you ask for an exception if they think you need a medicine that is not on the list.

Not sure

View the Preferred Drug List (PDL) or Formulary online at [MyHPNMedicaid.com](https://www.myhpnmedicaid.com). You can also call Member Services. We're here to help.

2. Do you have a prescription?

When you have a prescription from your doctor, or need to refill your prescription, go to a network pharmacy. Show the pharmacist your HPN health plan ID card and State Medicaid ID card. You can find a list of network pharmacies in the Provider Directory online at [MyHPNMedicaid.com](https://www.myhpnmcaid.com), or you can call Member Services.

Attention Pharmacist

Please process this Health Plan of Nevada member's claim using:

BIN: 610494

Processor Control Number: 4700

Group: SIE

If you receive a message that the member's medication needs a prior authorization or is not on our formulary, please call HPN Medicaid Pharmacy Services at **1-800-443-8197, option #6**.

Going to the doctor

Your Primary Care Provider (PCP)

We call the main doctor you see a Primary Care Provider, or PCP. When you see the same PCP over time, it's easier to develop a relationship with them. Each family member can have their own PCP, or you may all choose to see the same person. You will see your PCP for:

- Routine care, including yearly checkups
- Coordinate your care with a specialist
- Treatment for colds and flu
- Other health concerns

You have options

You can choose between many types of network providers for your PCP. Some types of PCPs include:

- Family doctor (also called a general practitioner) — cares for children and adults
- Gynecologist (GYN) — cares for women
- Internal medicine doctor (also called an internist) — cares for adults
- Nurse Practitioner (NP) — cares for children and adults
- Obstetrician (OB) — cares for pregnant women
- Pediatrician — cares for children
- Physician Assistant (PA) — cares for children and adults

Choosing your PCP

If you've been seeing a doctor before becoming a Health Plan of Nevada member, check to see if your doctor is in our network. If you're looking for a new PCP, consider choosing one who's close to your home or work. This may make it easier to get to appointments. You can also choose a PCP who aligns with your cultural, racial or gender preferences.

What is a Network Provider?

Network Providers have contracted with Health Plan of Nevada to care for our members. You don't need to call us before seeing one of these providers. There may be times when you need to get services outside of our network. If a needed and covered service is not available in-network, it will be covered out-of-network at no greater cost to you than if provided in-network. If you receive services out of network without authorization from Health Plan of Nevada, you may have to pay for those services. Call Member Services to learn if they are covered in full. You may have to pay for those services.

Availability of services

Your plan has a network of quality doctors, hospitals, and other care providers, all working together to help you get the best care. Check your plan's provider directory for a list of network providers. Providers can change through the year as we continue to build a quality network for you. You can find the most up to date provider directory at [MyHPNMedicaid.com](https://www.myhpnmedicaid.com).

If you need help finding a provider, you can call Member Services at **1-800-962-8074**, TTY **711**. We're happy to help you find a network PCP that works for you. Let your Member Services Representative know if you have any location, language, or cultural preferences. A free paper copy of the provider directory can also be sent to you by calling Member Services.

Once you choose a PCP, call Member Services and let us know. We will make sure your records are updated. If you don't want to choose a PCP, Health Plan of Nevada can choose one for you, based on your location and language spoken. You can also make this change on the Online Member Center at member.healthplanofnevada.com.

Changing your PCP

It's important that you like and trust your PCP. You can change PCPs at any time. Call Member Services, go online, or stop by our offices and we can help you make the change.

Your Provider Directory

Find the most up to date information on network providers at [MyHPNMedicaid.com](https://www.myhpnmedicaid.com). If the doctor you are seeing now is on the list, you can stay with them. If you want more information about any of the doctors in our network, or you need a hard copy of the provider directory mailed to you, call Member Services at **1-800-962-8074**.

Learn more about network doctors

You can learn information about network doctors, such as board certifications, medical school and residency program attended, and languages they speak, at [MyHPNMedicaid.com](https://www.myhpnmedicaid.com), or by calling Member Services.

Annual checkups

The importance of your annual checkup

You don't have to be sick to go to the doctor. In fact, yearly checkups with your PCP can help keep you healthy. In addition to checking on your general health, your PCP will make sure you get the screenings, tests and shots you need. And if there is a health problem, it is usually much easier to treat when caught early.

Here are some important screenings. How often you get a screening is based on your age and risk factors. Talk to your doctor about what's right for you.

For women

- Pap smear — helps detect cervical cancer
- Breast exam/Mammography — helps detect breast cancer

For men

- Testes exam — helps detect testicular cancer
- Prostate exam — helps detect prostate cancer

Well-child visits

Well-child visits are a time for your PCP to see how your child is growing and developing. They will also give the needed screenings, like speech and hearing tests, and immunizations during these visits. These routine visits are also a great time for you to ask any questions you have about your child's overall well-being, including:

- Eating
- Sleeping
- Behavior
- Social interactions
- Physical activity

Checkup schedule

It's important to schedule your well-child visits for these ages:

3 to 5 days	15 months
1 month	18 months
2 months	24 months
4 months	30 months
6 months	3 years
9 months	4 years
12 months	Once a year after age 5

Here are shots the doctor will likely give, and how they protect your child:

- **Hepatitis A and Hepatitis B:** prevent two common liver infections
- **Rotavirus:** protects against a virus that causes severe diarrhea
- **Diphtheria:** prevents a dangerous throat infection
- **Tetanus:** prevents a dangerous nerve disease
- **Pertussis:** prevents whooping cough
- **HiB:** prevents childhood meningitis and severe lung and throat infections
- **Meningococcal:** prevents bacterial meningitis
- **Polio:** prevents a virus that causes paralysis
- **MMR:** prevents measles, mumps and rubella
- **Varicella:** prevents chickenpox
- **Influenza:** protects against the flu virus
- **Pneumococcal:** prevents ear infections, blood infections, pneumonia and bacterial meningitis
- **HPV:** protects against a sexually transmitted virus that can lead to cervical cancer in women and genital warts in men

Keeping your children healthy through the Early Periodic Screening, Diagnosis and Treatment (EPSDT) program

One of the most important things you can do to keep your children healthy is to make sure they get regular checkups. Have your child seen early and often; after five-years-old they should be seen yearly for a well-child exam and any shots they need. Your child's doctor will help you arrange the checkups and shots that are right for each child's age group. These services are free of charge. If you need help scheduling an appointment, call Member Services at **1-800-962-8074**, TTY **711**. Or you can come into our office for concierge/in-person services. Walk in hours are 9:00 a.m.–1:00 p.m., Monday–Wednesday. Our office is located at:

2720 N. Tenaya Way, Suite 102
Las Vegas, NV 89128

Special checkups for children from the EPSDT program

Children under the age of 21 may receive well-child doctor visits as part of Nevada Medicaid's EPSDT program. These visits are offered to help your children stay healthy, provide required shots and to catch and treat health problems early. Included in the visit are the following:

- A health history
- A physical exam
- Immunizations (shots)
- Laboratory tests
- Health education
- Vision services
- Hearing services
- Other needed health care services and treatment

or call Member Services at **1-800-962-8074**, TTY **711**.

Going to the doctor

It is very important that you bring your children in to see the doctor when they are due for this special testing. Health Plan of Nevada will let you know when your children need to come in for these screenings. You will receive a postcard in the mail as a reminder.

Nevada Check Up Program

The Nevada Check Up Program is Nevada's version of the federal Children's Health Insurance Program (CHIP). It serves children ages zero through 18 years. The program is designed for families who do not qualify for Medicaid and whose incomes are at or below 200% of the Federal Poverty Level (FPL).

Nevada Check Up insurance is comprehensive health insurance covering medical, dental, vision, mental health services, therapies and hospitalization. Most Medicaid policies and requirements (such as prior authorization, etc.) are the same for Nevada Check Up.

Nevada Check Up does not cover Non-Emergency Transportation (NET). Dental benefit is provided by Liberty Dental. You can reach them by calling 888-401-1128, TTY 877-855-8039. The only cost to the Nevada Check Up enrollee is a quarterly premium. Enrollees are not required to pay co-payments, deductibles, or other charges for covered services. Quarterly premiums are due in January, April, July, and October and may be prorated based on eligibility determination date. American Indians who are members of federally recognized Tribes and Alaskan Natives are exempt from Nevada Check Up premiums.

Making an appointment with your PCP

Call your doctor’s office directly. When you call to make an appointment, be sure to tell the office what you’re coming in for. This will help make sure you get the care you need, when you need it. This is how quickly you can expect to be seen:

How long it should take to see your PCP:	
Urgent PCP appointments — when you have a sudden illness, injury or condition that is urgent	Within two (2) calendar days
Emergent care PCP appointments	Same day or directed to an Urgent Care Clinic by your PCP
Routine care — for appointments like wellness checkups, screenings, annual exams and vaccinations	Within 2 weeks or 14 days

Preparing for your PCP appointment

Before the visit

1. Go in knowing what you want to get out of the visit (relief from symptoms, a referral to a specialist, specific information, etc.).
2. Make note of any new symptoms and when they started.
3. Make a list of any drugs or vitamins you take on a regular basis.

During the visit

When you are with the doctor, feel free to:

- Ask questions
- Take notes if it helps you remember
- Ask the doctor to speak slowly or explain anything you don’t understand
- Ask for more information about any medicines, treatments or conditions

Telephone Advice Nurse – Your 24-hour health information resource

When you're sick or injured, it can be difficult to make health care decisions. You may not know if you should go to the emergency room, visit an urgent care center, make a provider appointment or use self-care. An experienced Telephone Advice Nurse can give you information to help you decide.

Nurses can provide information and support for many health situations and concerns, including:

- Minor injuries
- Common illnesses
- Self-care tips and treatment options
- Recent diagnoses and chronic conditions
- Choosing appropriate medical care
- Illness prevention
- Nutrition and fitness
- Questions to ask your provider
- How to take medication safely
- Men's, women's and children's health

You may just be curious about a health issue and want to learn more. Experienced registered nurses can provide you with information, support and education for any health-related question or concern.

The 24-hour Telephone Advice Nurse phone number is **1-800-288-2264**. You can call the toll-free Telephone Advice Nurse number anytime, 24 hours a day, 7 days a week. And there's no limit to the number of times you can call.

Referrals and specialists

A referral is when your PCP says you need to go to another doctor who focuses on caring for a certain part of the body or treating a specific condition. This other doctor is called a specialist. It is a good idea to see your PCP before you see a specialist. Your PCP can help coordinate your medical needs. If your doctor wants you to see a specialist that you do not want to see, you can ask your PCP to give you another name. A couple of examples of specialists include:

- Cardiologist – for problems with the heart
- Pulmonologist – for problems with the lungs and breathing

You do not need a referral from your PCP for:

- Emergency services
- Behavioral health
- Sexually transmitted disease (STD) testing and treatment — includes annual exam and up to five gynecologist (GYN) visits per year
- Routine eye exams
- Education classes — including parenting, smoking cessation and childbirth

Member Advocate

The Member Advocate is another person at Health Plan of Nevada who can help you.

The Member Advocate can:

- Help you figure out how things work at Health Plan of Nevada. This may be things like filing a grievance, changing Care Coordinators or getting the care you need.
- Refer you to the right Health Plan of Nevada staff
- Help solve problems with your care

To reach the Health Plan of Nevada Member Advocate, call Health Plan of Nevada at **1-800-962-8074**, TTY **711**. Ask to speak with the Member Advocate.

Getting a second opinion

A second opinion is when you want to see a second doctor for the same health concern. You can get a second opinion from a network provider or non-network provider for any of your covered benefits. This is your choice. You are not required to get a second opinion. If the type of doctor needed is not available in-network for a second opinion, we will arrange for a second opinion out-of-network at no cost to you, as if the service was provided in-network.

Prior authorizations

In some cases, your provider must get permission from the health plan before giving you a certain service. This is called prior authorization. This is your provider's responsibility. If they do not get prior authorization, you will not be able to get those services.

You do not need prior authorization for advanced imaging services that take place in an emergency room, observation unit, urgent care facility or during an inpatient stay. You do not need a prior authorization for emergencies. You also do not need prior authorization to see a women's health care provider for women's health services or if you are pregnant.

A prior authorization may be needed

Some services that need prior authorization include:

- Hospital admissions
- Certain outpatient imaging procedures, including PET scan imaging procedures
- Some Durable Medical Equipment services
- Some prescription medications
- Weight loss surgery

Continued care if your PCP leaves the network

Sometimes PCPs leave the network. If this happens to your PCP, you will receive a letter from us letting you know. Sometimes Health Plan of Nevada will pay for you to get covered services from doctors for a short time after they leave the network. You may be able to get continued care and treatment when your doctor leaves the network if you are being actively treated for a serious medical problem. For example, you may qualify if you are getting chemotherapy for cancer or are at least six months pregnant when your doctor leaves the network. To ask for this, please call your doctor. Ask them to request an authorization for continued care and treatment from Health Plan of Nevada.

Behavioral Health services

Your mental health is just as important as your physical health. Your Behavioral Health coverage provides Mental Health, Substance Use Disorder services and online resources for members to maintain a balanced and healthy life.

Some of the services provided include:

- Mental health and substance use disorder services
- Inpatient and outpatient services
- Crisis intervention services 24-hours-a-day, 7-days-a-week
- Peer support services
- Care Management services

Member support

We want to make it as easy as possible for you to get the most from your behavioral health services.

Your behavioral health team is available 8:00 a.m.–6:00 p.m., Monday–Friday. With crisis intervention services 24 hours a day, 7 days a week.

Your support team can help with your questions or concerns. This includes:

- Understanding your benefits
- Finding a doctor
- Scheduling an appointment with your behavioral health provider

To access services or find a Behavioral Health provider, you can visit [MyHPNMedicaid.com](https://www.MyHPNMedicaid.com) or call your Behavioral Health team at 1-800-873-2246.

Making an appointment with your behavioral health provider

Call your providers office directly. When you call to make an appointment, be sure to tell the office what you're coming in for. This will help make sure you get the care you need, when you need it.

To access services or find a Behavioral Health provider, call your Behavioral Health team at 1-800-873-2246.

* A PCP referral or prior authorization is not required to access mental health and substance use disorder services.

Going to the doctor

Behavioral Health virtual visits

Behavioral health therapy is available anywhere that is convenient for you using a secure mobile app, webcam, chat or phone! With the NowClinic, you can talk to a mental health therapist just like you would in an office setting. NowClinic mental health providers can diagnose, provide therapy and care recommendations for most mental health issues.

NowClinic is also a part of your health plan benefits and there is no cost to you! NowClinic services are by appointment and are available to members that are 18 years of age or older who are seeking mental health services.* To secure an appointment, call the behavioral health team line at **702-364-1484** or 1-800-873-2246. Inform the team member answering your call that you are interested in NowClinic services. A team member can help you enroll or answer any questions you have about the NowClinic.

For any additional assistance or if you have any questions, please call the behavioral health team at **702-364-1484** or 1-800-873-2246. The conditions treated are subject to NowClinic provider discretion. NowClinic is not an appropriate format to address substance use disorders and can be addressed through our extensive network of providers. Please contact your Behavioral Health team at **702-364-1484** or 1-800-873-2246 for help.

* A PCP referral or prior authorization is not required to access in network mental health and substance use disorder services.

Prior authorizations

In some cases, your provider must get permission from the health plan before giving you a certain service. This is called prior authorization. This is your provider's responsibility. If they do not get prior authorization, you will not be able to get those services or you will be responsible for the full cost of the service.

Some services that need prior authorization include:

- Inpatient admissions
- Psychological testing and/or evaluation prescribed by a physician
- Intensive outpatient treatment
- Rehabilitative services
- Out of network provider visits

You do not need prior authorization for routine therapy services or medication management.

Continued care if your provider leaves the network

Sometimes providers leave the network. If this happens to your provider, you will receive a letter from us letting you know. Sometimes Health Plan of Nevada will pay for you to get covered services from doctors for a short time after they leave the network. You may be able to get continued care and treatment when your doctor leaves the network if you are being actively treated for a serious medical problem. To ask for this, please call your provider. Ask them to request an authorization for continued care and treatment from your behavioral health team.

- Fever, chills, runny nose

For any additional assistance or if you have any questions, please call Member Services at **1-800-962-8074**.

* The conditions treated are subject to NowClinic provider discretion and may require a visual interaction such as a webcam. Video may be required for prescribing.

Urgent Care house call

Quick. Efficient. Convenient. Urgent care house calls include the tools necessary to provide advanced medical care in the comfort of your home. Home urgent care visits are good for migraine headaches, cuts that need stitches and skin infections, urinary tract infections, flu and pneumonia, dehydration, IV placements and IV fluids, asthma attacks, COPD and respiratory infections, and more. To review your symptoms with our medical team and check availability, call our 24/7 advice nurse toll-free at **1-800-288-2264**, TTY **711**.

If you have a life-threatening situation, call **911** or go to the nearest hospital emergency room.

Transportation services – Non-emergency

Non-emergency transportation to medical and behavioral services is available to Medicaid recipients. If you need a ride to a doctor’s appointment, make your reservation a week before your medical appointment is scheduled. To book your reservation, please call MTM at 1-844-879-7341, 7:00 a.m.–5:00 p.m., Monday–Friday. Non-emergency transportation is not a benefit available to members with Nevada Check Up. To learn more, sign in to [MyHPNMedicaid.com](https://myhpnmcaid.com).

HPN can help with your transportation needs. HPN provides bus passes and door to door non-emergency rides. These can be used for doctor appointments, the pharmacy, DMV, accessing Social Service programs and picking up needed resources like food, clothing and baby needs. Members must be working with one of our case managers or registered in one of our programs to qualify.

Emergency transportation

Emergency transportation is a covered benefit for Health Plan of Nevada members. If you have a medical emergency, call **911**. An ambulance will drive you to a hospital for emergency medical care. Remember to only call **911** for true medical emergencies.

Hospitals and emergencies

Emergency care

Hospital emergency rooms are there to offer emergency treatment for trauma, serious injury and life-threatening symptoms. Reasons to go to the ER include, but are not limited to:

- Serious illness
- Broken bones
- Heart attack
- Poisoning
- Severe cuts or burns
- Difficulty breathing

Don't wait

If you need emergency care, call **911** or go to the nearest hospital.

Health Plan of Nevada covers any emergency care you need throughout the United States and its territories. Within 24 hours after your visit, call Member Services at **1-800-962-8074**, TTY **711**. You should also call your PCP and let them know about your visit so they can provide follow-up care if needed.

What is an emergency?

An emergency medical condition is an illness, injury, symptom, or condition so serious that a reasonable person would seek care right away to avoid harm. If you are pregnant, it could mean harm to the health of you or your unborn baby.

Emergency services means covered inpatient or outpatient services that are furnished by a qualified provider and are needed to evaluate or stabilize an emergency condition.

Post-stabilization care services

Post-stabilization care means covered services, related to an emergency medical condition, that are provided after the medical problem has been stabilized. Post-stabilization care services are provided in the hospital or after discharge to maintain and improve the member's condition.

Hospitals and emergencies

Urgent Care

Urgent care clinics are there for you when you need to see a doctor for a non-life-threatening condition, but your PCP isn't available or it is after clinic hours. You can get care at a freestanding Urgent Care location, such as **Southwest Medical Associates (SMA)** or **University Medical Center (UMC)** Quick Care clinics. Common health issues ideal for urgent care include:

- Sore throat
- Ear infection
- Minor cuts or burns
- Flu
- Low-grade fever
- Sprains

If you or your children have an urgent problem, call your PCP first. Your doctor can help you get the right kind of care. Your doctor may tell you to go to urgent care or the emergency room.

After office hours, call our Telephone Advice Nurse at **1-800-288-2264**. The nurse will help you decide the best place to get help.

Hospital services

There are times when your health may require you to go to the hospital. There are both inpatient and outpatient hospital services.

Outpatient services include X-rays, lab tests and minor surgeries. Your PCP will tell you if you need outpatient services. Your doctor's office can help you schedule them.

Inpatient services require you to stay overnight at the hospital. These can include serious illness, surgery or having a baby.

Inpatient services require you to be admitted (called a hospital admission) to the hospital. The hospital will contact Health Plan of Nevada and ask for authorization for your care. If the doctor who admits you to the hospital is not your PCP, you should call your PCP and let them know you are being admitted to the hospital.

Going to the hospital

You should go to the hospital only if you need emergency care or if your doctor told you to go.

No medical coverage outside of the United States

If you are outside of the United States and need medical care, any health care services you receive will not be covered by Health Plan of Nevada. Medicaid cannot pay for any medical services you get outside of the United States.

Out-of-area health care services

The Health Plan of Nevada service area covers metropolitan, Clark and Washoe Counties. When you are out of the service area during an emergency, you should seek attention at the nearest hospital emergency room or Urgent Care Center. Make sure you tell them you are a Health Plan of Nevada member. Also, tell your doctor you went to an emergency room while you were away.

If you are being treated for a medical problem and going to be away for more than a few days, let your doctor know. If you have any questions while you are away, call Member Services at **1-800-962-8074**.

Pharmacy

Prescription drugs

Your benefits include prescription drugs

Health Plan of Nevada covers hundreds of prescription drugs from hundreds of pharmacies. A list of commonly covered drugs is on the Preferred Drug List (PDL) or Formulary. You can fill your prescription at any in-network pharmacy. All you have to do is show your HPN health plan ID card and State Medicaid ID card.

Generic and brand-name drugs

Health Plan of Nevada requires all members to use generic drugs. Generic drugs have similar ingredients as brand-name drugs — they often cost less, but they work the same.

In some cases, a limited number of brand name drugs are covered. These are limited to certain classes (or types) of drugs. Some of these may require prior authorization by Health Plan of Nevada.

What is the Preferred Drug List or Formulary?

The **Preferred Drug List (PDL)** is a list of covered drugs under your plan. The PDL is a subset of all drugs covered under the plan. The full list of covered drugs is called the **Formulary**. You can find both the Preferred Drug List and the Formulary online at [MyHPNMedicaid.com](https://www.myhpnmcaid.com).

If the medicine your doctor is prescribing is not on the preferred drug list, Health Plan of Nevada may not pay for it or the medicine might require prior approval. If it does, your doctor may call our Pharmacy Services Department at **1-800-443-8197, option #6**, or send a Prior Authorization Fax to 1-800-997-9672. The form can be found at [MyHPNMedicaid.com](https://www.myhpnmcaid.com).

We will approve or deny the request within 24 hours. If a request is approved, you and your care provider will be informed of the decision in writing including the drug approval length of time. If a request is denied, you and your care provider will be informed of the decision in writing. The written decision notice will tell you how and when to appeal this decision and to file a complaint or grievance with Health Plan of Nevada.

Changes to the Preferred Drug List or Formulary

The list of covered drugs is reviewed by the State of Nevada on a regular basis and may change when new generic drugs are available.

or call Member Services at **1-800-962-8074**, TTY **711**.

Getting your prescription filled

As a Health Plan of Nevada member, you can get your prescriptions filled at any **Walmart, Sav-On, Albertsons, Vons, Safeway, Smiths, CVS/Target** or **Walgreens** stores. If you need help finding a drug store or pharmacy, ask at the doctor's office or call Member Services at **1-800-962-8074**.

Same-day medication delivery now available in Southern Nevada. Health Plan of Nevada (HPN) and Walgreens now provide same-day medication deliveries to HPN's Medicaid plan members prescribed a medication during a NowClinic virtual visit. Delivery is available to HPN members in Las Vegas, North Las Vegas and Henderson.

Over-the-Counter (OTC) medicines

Health Plan of Nevada also covers many over-the-counter (OTC) medications. An in-network provider must write you a prescription for the OTC medication you need. The supply is limited to 30 days. Then all you have to do is take your prescription, HPN health plan ID card, and State Medicaid ID card into any network pharmacy to fill the prescription. OTCs include:

- Pain relievers
- Cough medicine
- First-aid cream
- Cold medicine
- Contraceptives (other than birth control pills)
- Prenatal vitamins

Injectable medicines

Injectable medications are medicines given by shot, and they are a covered benefit. In some cases, you will need to get a prior authorization for an injectable medicine. In some cases, you will need to fill the medication at one of our Specialty Pharmacies.

“**Specialty Drugs**” are high-cost oral, injectable, infused or inhaled Covered Drugs as identified by Health Plan of Nevada's Pharmaceutical & Therapeutics Committee that are either self-administered or administered by a health care Provider and used or obtained in either an outpatient or home setting. Health Plan of Nevada may direct you to a Designated Plan Pharmacy with whom Health Plan of Nevada has an arrangement to provide those Specialty Drugs.

Pharmacy home

Some Health Plan of Nevada members will be assigned a pharmacy home (Lock-in). In this case, members must fill prescriptions at a single pharmacy location. This is based on prior medication use, including overuse of pharmacy benefit, narcotics, pharmacy locations and other information.

Members of this program will be sent a letter with the name of the pharmacy they are required to use. If members want to change pharmacies, they can call Member Services at **1-800-962-8074**, TTY **711**.

Benefits

Benefits covered by Health Plan of Nevada

Medical benefits

As a Health Plan of Nevada member, you get all the basic Medicaid benefits at no cost to you. Your PCP will arrange your care. Many of these benefits are considered Medically Necessary, which means that the services are needed to achieve age-appropriate growth and development and the services allow you to attain, maintain, or regain function. Medically Necessary services or supplies are needed to prevent, diagnose, or treat an illness, injury, condition, disease or its symptoms and they meet accepted standards of medicine. You will need to use a Health Plan of Nevada approved health care facility and medical provider for most of these services, including:

This is just a basic list of the covered medical services you may receive from Health Plan of Nevada. Services that are not allowed by the State of Nevada Medicaid Program are excluded from coverage.

The Nevada Medicaid webpage provides a fee-schedule search option to view a list of services the State of Nevada Medicaid Program covers. The website can be accessed at: <https://www.medicaid.nv.gov/hcp/provider/Resources/SearchFeeSchedule>.

Keep in mind, you must have approval from your PCP and Health Plan of Nevada before you receive some health services. These include specialist visits and hospital stays. Your PCP or our Member Advocates are available to answer questions you may have about these services. Feel free to call Member Services at **1-800-962-8074** or stop by our offices for concierge, in-person assistance. Walk in hours are 9:00 a.m.–1:00 p.m., Monday–Wednesday. Our offices are located at 2720 N. Tenaya Way, Suite 102, Las Vegas, NV 89128.

A special note about family planning services

Family planning services help people of childbearing age who do not want to get pregnant. These services include:

- Counseling
- Various kinds of birth control, including over-the-counter and prescription birth control supplies

You can get family planning services:

- From your PCP, or
- From any doctor, clinic or family planning center that takes Medicaid patients.

You do not have to get family planning services from a doctor in the Health Plan of Nevada Provider Directory. You do not need a referral from your PCP, but please bring your State Medicaid ID card with you. **Always tell your PCP when you are using birth control pills or other family planning methods.** Infertility services are not covered for Medicaid members.

A special note about mental health and substance abuse benefits

Mental health is as important as physical health. HPN Behavioral Health provides Mental Health, Substance Abuse services and online resources for members to maintain a balanced and healthy life.

Some of the services provided by HPN Behavioral Health include:

- Mental health and substance abuse services
- Inpatient and outpatient services
- Crisis intervention services 24-hours-a-day, 7-days-a-week

Benefits

A PCP referral or prior authorization is not required to access in-network mental health and substance use disorder services. To access services and to obtain help in locating a provider near you, please contact us at **702-364-1484** or toll-free at **1-800 873-2246**.

It's important that you like and trust your therapist. You can change your therapist at any time. Call us and we can help you make the change.

If you are currently experiencing a life-threatening emergency, please call **911** or proceed to your nearest emergency room immediately.

Special added benefits for Health Plan of Nevada members

Health Plan of Nevada provides several added benefits to assist each of our plan members in staying healthy and well. The following are examples of benefits for you.

- **Non-medical transportation**

Pregnancy care and services

You and your unborn baby are very special. We are here to help you during your pregnancy and after your baby is born so you will both be strong and healthy. It is very important to your health and your baby to see a doctor early in your pregnancy. The best way to give your baby a good start in life is to get prenatal care right away.

Care for you during your pregnancy

Tell your doctor if you are planning to have a baby or if you are pregnant. If you think you might be pregnant but are not sure, your doctor can give you a quick, easy test to find out.

If you are pregnant, choose an obstetrician from the Health Plan of Nevada Provider Directory. If you need help, call Member Services at **1-800-962-8074**. We will help you choose an obstetrician. These doctors are specially trained to care for pregnant women and to deliver babies.

Make an appointment to see your obstetrician right away for a complete checkup. He/she will tell you what to expect during your pregnancy and how to take care of yourself and your unborn baby. Your obstetrician will check to see if your unborn baby might need special care. He/she also stays in touch with your PCP in case you have other health needs.

Pregnancy and new baby support app – Tummy2Toddler

Manage your pregnancy through each milestone and trimester.

This app helps you stay healthy during every step of your pregnancy. It's easy to use — just enter your due date and birth date, and Tummy2Toddler sets up your pregnancy milestones.

Get parenting guidance through your baby's first two years.

Focusing on early childhood development and parental health, the Tummy2Toddler app seamlessly transitions from pregnancy to parenthood. Just swipe between health views to manage the health needs of your family.

Benefits

Educational programs for moms-to-be

If you are pregnant, call our Obstetrical Case Management team at **1-877-487-6659**. The registered nurses will answer any questions you may have and send you information on having a healthy pregnancy. You may also attend a free one on one session with a Certified Lactation Consultant (CLC) during or after pregnancy to discuss topics including:

- Nutrition
- Exercise
- Safety for you and the baby
- Proper weight gain
- Stress, emotions and hormonal changes
- Breastfeeding and formula feeding

Healthy pregnancy rewards program

You may receive up to \$60 in Visa rewards gift cards by signing up for the “Healthy Pregnancy Rewards Program” and completing qualifying prenatal and postpartum visits. Please contact the Obstetrical Case Management team at 1-877-487-6659 for more details.

A healthy prenatal visit schedule consists of 14 visits within your pregnancy. The guide below is a tool for reference.

9th month of pregnancy	1 prenatal visit is needed
8th month of pregnancy	5 prenatal visits are needed
7th month of pregnancy	7 prenatal visits are needed
6th month of pregnancy	8 prenatal visits are needed
5th month of pregnancy	9 prenatal visits are needed
4th month of pregnancy	11 prenatal visits are needed
3rd month of pregnancy	12 prenatal visits are needed
2nd month of pregnancy	13 prenatal visits are needed
1st month of pregnancy	14 prenatal visits are needed

Breastfeeding information

Breastfeeding provides health benefits for both babies and mothers. Breastfeeding can help lower a mother's risk of heart disease, ovarian cancer, Type 2 diabetes and Breast Cancer. Infants who are breastfed have reduced risks of: Asthma, Obesity, Ear and respiratory infections, Type 2 diabetes and Sudden infant death syndrome (SIDS).

Breast pump: Health Plan of Nevada's Medicaid Plan makes pumps available to qualified members. Members must be at least 28 weeks (3rd trimester) to qualify to receive a breast pump.

- **Southern Nevada members:** A prescription is required from your OB provider. Fax it to Southwest Medical Durable Medical Equipment (DME) at **702-242-7703**.
- **Northern Nevada members:** Call Edgepark Medical Supplies toll-free at **1-800-321-0591**, extension **7499**.

If you have any questions or would like more information on how to receive a breast pump, please call toll-free **1-844-851-7830**, TTY **711**.

Avoiding a premature birth

Premature babies have lots of health problems from birth and for many years later. To avoid having a premature baby, it is important to know about premature labor. Premature labor occurs before the 37th week of your pregnancy. The signs of premature labor are:

- Menstrual-like cramping
- Contractions
- Lower backache
- Abdominal, thigh or back pressure
- Increase or change in vaginal discharge
- Amniotic fluid (bag of water)

If you are having signs of pre-term labor, call your obstetrician right away. There are treatments available to stop pre-term labor which will help you have a full-term, healthy baby.

Delivering your baby

You will probably have your baby in the hospital. Your obstetrician, or another doctor he/she works with, will deliver the baby. Some mothers want to have a certified nurse-midwife deliver the baby. If you want your baby to be delivered by a certified nurse-midwife, ask your PCP to help you find one who is in the Health Plan of Nevada Provider Directory. You can search for a provider by logging onto our website, MyHPNMedicaid.com.

Benefits

Baby blues

Babies need lots of care, but so do you. Some women have postpartum depression after the baby is born. Some signs of postpartum depression are feeling sad, crying a lot, having trouble sleeping or just not feeling like yourself. If you have any of these symptoms, please call your doctor or call HPN Behavioral Health at **1-800-873-2246**.

Birth control after the baby is born

Your body needs to rest after your pregnancy. Pregnancies too close together increase your chance of having a premature or low-birth-weight baby. It is recommended that you wait at least one year before becoming pregnant again. Talk to your doctor about birth control methods that are right for you.

A healthy start for your new baby

Your new baby automatically joins Health Plan of Nevada when he/she is born. **Make sure you call our Member Services department at 1-800-962-8074 to report the birth of your child as soon as you are home from the hospital. You must also call your case worker at the Welfare Office to report the birth of your baby.** If you don't report the birth, you may be responsible to pay for your baby's medical care.

One of the most important things you will need to do right after childbirth is to choose a doctor for your baby. Your baby should receive a checkup within two weeks after birth and circumcisions for baby boys are usually a part of this visit.

Your baby will need more well-child visits during the first two years of life and immunizations are part of these visits. It is very important that your baby receive the recommended well-child visits and immunizations. More information on these visits and immunizations is provided in the next section, "Keeping your children healthy."

If you need help choosing a doctor for your baby, call Member Services at **1-800-962-8074** or visit our website for the most recent version of the provider directory at MyHPNMedicaid.com. Our staff will help you find a doctor for your baby. You may choose either a pediatrician or a family practice doctor. Please let us know your choice by calling **1-800-962-8074**. If we don't hear from you, we will assign your baby to a doctor. You can change your child's doctor by calling Member Services.

Care Management

If you have a chronic health condition, Health Plan of Nevada has a program to help you live with your condition and improve the quality of your life. These programs are voluntary and available to you. The programs give you important information about your health condition, medications, treatments and the importance of follow-up visits with your physician.

A team of registered nurses, social workers, and community health workers will work with you, your family, your PCP, other health care providers and community resources to design a plan of care to meet your needs in the most appropriate setting. They can also help you with making appointments with your doctor and reminding you about special tests that you might need.

You or your doctor can call us to ask if our care management programs could help you. If you or your doctor thinks a Care Manager could help you, or if you want more information about our care management programs, call Member Services at **1-800-962-8074**.

Services you receive directly through Nevada Medicaid

Some services that Medicaid pays for are not part of your Health Plan of Nevada benefit package. You will use your Medicaid card to get these services from any doctor, dentist or facility that takes Medicaid patients. You do not have to see your doctor or dentist first.

Some services you get directly through Medicaid are:

- Home and community-based waiver services
- Non-emergency medical transportation — for transportation to medical and dental care when it is not an emergency
- ICF/ID services (Intermediate Care Facility for Individuals with Intellectual Disabilities)
- School-based health services — for certain children who have an Individual Education Plan so they can get special care in the school
- Indian Health Services and Tribal Clinics
- The cost of care you receive before becoming a Health Plan of Nevada member — the Division of Health Care Financing and Policy will continue to decide whether to pay for health services you received while you were on Fee-for-Service Medicaid

Benefits

- **The cost of care in a special facility** — like an institution for people who are intellectually disabled
- **Services for people who need long-term care** — like staying in a nursing home longer than 180 days
- **Transitional rehabilitative services** — helps injured or disabled people learn or relearn skills needed for daily living
- **Dental services** — services to check for and correct problems with your teeth. This service is provided by Liberty Dental. Please call them at 888-401-1128, TTY 877-855-8039 with questions about dental coverage or to find a dentist.

If you have questions about these services, please contact your Nevada State Welfare Division caseworker at 1-800-992-0900.

Medicaid estate recovery

When you enroll in a Managed Care Organization (MCO), are age 55 or older and are subject to Medicaid estate recovery upon death, please note that all premium payments (capitation fees) made by Medicaid to the MCO are subject to recovery by Medicaid per Section 3810 of the Center for Medicaid and Medicare’s State Medicaid Manual, and will be included in addition to any other Medicaid payments as a claim against your estate. Medicaid cannot recover from the estates of deceased Medicaid recipients if there is a surviving spouse, a child under the age of 21, or a disabled or blind child of any age. Also Medicare Part A and B copayments paid after January 1, 2010, are not recoverable.

If you get a bill for services

It is very important that you follow the rules when getting medical care so you are not billed for services. You must get care from the doctors and other medical providers listed in the Health Plan of Nevada Provider Directory. You must get a referral from your PCP to see a specialist or get certain services. The only exception is during a medical emergency.

It is also important to know your benefits. If you get medical care that is not a Medicaid benefit, you may be billed for those services. For example, if you pick a pair of glasses that cost more than the benefit, you will need to pay the difference. Your provider will ask you to sign a statement saying you will pay for the service. If you sign it and get the service, you have to pay the bill and will not be reimbursed by Health Plan of Nevada or Medicaid.

Services received outside the country are not covered Medicaid benefits. Health Plan of Nevada will not pay for these services. **You may also get a bill for medical care your newborn receives, if you don't tell your caseworker you had a baby.**

Other health insurance (Coordination of Benefits – COB)

If you or anyone in your family has other health insurance, you must call Member Services and tell us about it. For example, if you have a health plan at work or if your children have insurance with their other parent, call Member Services.

If you have other insurance, Health Plan of Nevada and your other plan will share the cost of your care. This is called **Coordination of Benefits**. Together, both plans will pay no more than 100 percent of the bill.

If we pay the full bill and another party should pay part, we will contact the other plan. For example, if you are hurt in a car accident, auto insurance may pay some of your bills. You will not get a bill for covered services. We get the bill. If you get the bill by mistake, call Member Services at **1-800-962-8074, TTY 711**.

Updating your information

To ensure that the personal information we have for you is correct, please tell your DWSS eligibility worker if and when any of the following changes:

- Marital status
- Address
- Member name
- Phone number
- You become pregnant
- Family size (new baby, death, etc.)
- Other health insurance

Please call Division of Welfare and Support Services (DWSS) if any of this information changes. Health Plan of Nevada needs up-to-date records to tell you about new programs, to send you reminders about healthy checkups, and to mail you member newsletters and other important information.

- For Northern Nevada: **775-684-7200**
- For Southern Nevada: **702-486-1646**
 - Option 1 for English, Option 2 for Spanish
 - Option 5 to speak to an Agent

Other insurance

If you have any other insurance, call Member Services and let us know.

- If you are a Health Plan of Nevada member, your other health insurance will have to pay your health care bills first
- When you get care, always show both your State Medicaid ID card and your member ID card from your other insurance

Informed consent

Consent means you say “yes” to treatment. Informed consent means:

- The treatment was explained to you and you understand
- You say yes before getting any treatment
- You may need to say yes in writing
- If you do not want the treatment, your PCP will tell you about other options
- You have the right to say yes or no

Privacy of records

Health Plan of Nevada takes privacy issues and laws seriously. Safeguards are in place to protect information about you. We don't share private information without your written okay unless there is a legal reason.

How we pay our providers

Health Plan of Nevada pays our network PCPs, specialists, hospitals and all other types of providers every time they see one of our members. This is known as fee-for-service. If you have any questions on provider reimbursements or incentive programs, you can call Member Services at **1-800-962-8074**, TTY 711.

Utilization management

Health Plan of Nevada does not want you to get too little care or care you don't need. We also have to make sure that the care you get is a covered benefit. Decisions about care are based only on appropriateness of care and coverage. We use a process called utilization management (UM). It helps us make sure you get the right care, at the right time and in the right place.

Only doctors and pharmacists do UM. We do not reward anyone for saying no to needed care. We do not give incentives to our reviewers for decisions that result in not enough care. If you have questions about UM, talk to our Medicaid Case Management staff. Call during normal business hours. TTY 711 and language help are available.

Quality program

Our Quality program can help you stay healthy by working with your doctor. It reminds you to get preventive tests and shots. We send reminders to you and your providers. These include lead tests, Pap tests, mammograms and shots to prevent diseases like polio, mumps, measles and chickenpox.

Health Plan of Nevada uses HEDIS® (Healthcare Effectiveness Data and Information Set) standards to help measure how we are doing with our quality program. HEDIS gives performance scores to help people compare managed care plans. HEDIS studies many areas, such as prenatal care and disease prevention.

Health Plan of Nevada wants to make sure you are happy with the services you get from your doctor and from us. To do this, we look at CAHPS® data. CAHPS stands for Consumer Assessment of Healthcare Providers and Systems. This survey asks questions to see how happy you are with the care you get. If you get a member survey in the mail, please fill it out and return it to us.

Health Plan of Nevada looks at the results of HEDIS and CAHPS. Then we share the results with our providers. We work with providers to make sure services add to your health care in a positive way.

If you want to know more about the Quality program, call Member Services at **1-800-962-8074**, TTY **711**.

Patient safety and protection from discrimination

Patient safety is very important to us. Although we do not direct care, we want to make sure that our members get safe care. We track quality-of-care, develop guidelines on safe care and give information on patient safety. We also work with hospitals, doctors and others to improve coordination between sites of care. If you want more information, call Member Services at **1-800-962-8074**, TTY **711**.

Clinical practice guidelines and new technology

Health Plan of Nevada gives our providers clinical guidelines. These have information on the best way to provide care for some conditions. Each guideline is a standard of care in the medical profession. This means other doctors agree with that approach.

If you have any questions about Health Plan of Nevada’s clinical guidelines or would like a copy of the guidelines, call Member Services at **1-800-962-8074**, TTY **711**. You can also find the clinical guidelines on our website at [MyHPNMedicaid.com](https://www.myhpnmedicaid.com).

New technology assessment

Some medical practices and treatments are not yet proven to be effective. New practices, treatments, tests and technologies are reviewed nationally by Health Plan of Nevada to decide on coverage. They are reviewed by a committee of Health Plan of Nevada doctors, nurses, pharmacists and guest experts. They make the final decision about coverage. If you want more information, call us at **1-800-962-8074**, TTY **711**.

Advance Directives

Nevada law states you have the right to make decisions about your health care if you are 18 years of age and older as long as you are able to do so. If you become sick, your doctor will tell you what is wrong with you, the types of treatment you can choose and what might happen if you do not get care. You have the right to refuse care, even if your doctor feels you need it in order to save your life.

Sometimes when people are very sick, they are not able to make decisions or tell doctors what they want. For example, if there is no hope that they will get well again, some people don’t want the doctor to keep them alive by feeding them through a tube or putting them on machines. If you feel this way, it is very important that you tell your doctor and family what your wishes are while you are still healthy and able to tell them. This is done by a written “advance directive.”

There are different types of advance directives:

- A **“Living Will”** is a written statement that tells the doctor and your family what kind of health care you want, or do not want, if you become unable to tell them
- A **“Durable Power of Attorney for Health Care”** is a signed document that names someone you choose to make health care decisions for you if you cannot make your own decisions
- A **Do Not Resuscitate (DNR) order** is an instruction given to your doctor that you do not want life-saving measures taken on your behalf if your heart or breathing stops

An advance directive must be in writing and you must sign it. It must also be signed by a notary public or by two other people as witnesses. Make sure your family and your PCP have copies so they will know how to help you. Your Advanced Directive will be kept in your medical record.

You may change your advance directive at any time. Put the change in writing in the same way that you did the first time. Make sure your doctor and family knows about the change. Make sure the date is on it so others will know which directive is the most recent. If you need to, you can have both types of advance directives. And if you choose, **you do not have to have an advance directive.** It is totally up to you.

We want to know what kind of medical care you want. If you want to make an advance directive, a lawyer can write one for you. If you can't see a lawyer, the people in your PCP's office have forms and can help you. Or, you can call our Member Services staff at **1-800-962-8074**.

Federal and State law allow your doctor, or even an entire institution, like a hospital, to object to your advance directive because of moral or religious beliefs. Each doctor or institution may object to different advance directives. If this happens, your doctor is required by Nevada law to inform you and transfer your care to another doctor. If you have questions or need help finding a doctor, please contact Member Services at **1-800-962-8074**.

If you have a complaint about the Advance Directive information, please call the Division of Health Care Financing and Policy, **1-800-360-6044** or **1-877-453-7669**.

Health Plan of Nevada does not discriminate on the basis of whether members have or do not have advance directives.

Fraud, waste and abuse (FWA)

Fraud is lying with the knowledge that the lie could result in a benefit to someone. Waste and abuse are practices that result in unnecessary cost to health programs, or payment for services that are not medically necessary. Health Plan of Nevada makes every effort to identify, prevent and investigate fraud, waste and abuse (FWA). It is also your right and responsibility to inform us if you notice FWA. Please call our Health Care Fraud Tip Line at 1-866-242-7727 or email at HPNFWA@sierrahealth.com if you are aware of any of the following:

- Falsifying claims/encounters
- Alteration of claim
- Double billing
- Billing for services not provided
- Denying access to services/benefits
- Failure to refer for needed services
- Member eligibility fraud
- Physical abuse
- Mental abuse
- Emotional abuse
- Neglect
- Failure to report third party liability
- Misrepresentation of medical condition
- And other types of fraud, waste or abuse

What to do if you have an appeal or a grievance

How Member Services can help you:

Call and talk to a Member Advocate whenever you have a problem of any kind with Health Plan of Nevada or any of our doctors, providers or services. The phone number is **1-800-962-8074**.

Our Member Services team is here to help you. We can help you fill out the forms and get ready for the hearing. This help includes different ways for you to understand information such as interpreters and aids if you are deaf or blind. You have the right as a Health Plan of Nevada member to file an appeal or grievance.

70 **Questions?** Visit MyHPNMedicaid.com,
or call Member Services at **1-800-962-8074**, TTY 711.

Appeals

You have the right to file an **appeal** within 60 days of receiving a notice for any of the following issues:

- The covered services you requested were denied or limited
- The covered services you were receiving are reduced, suspended or stopped
- Part or all of the payment for a service you received is denied
- Your request for covered services was not responded to timely
- Health Plan of Nevada does not resolve your grievance or appeal timely

There are two kinds of appeals you can file:

Standard (30 days) — You can ask for a standard appeal. We will send you a letter letting you know we received your appeal **within three calendar days**. We must give you a written decision no later than 30 days after we get your appeal. We may extend this time by up to 14 days if you request an extension, or if we need additional information and the extension benefits you. If you disagree with the extended time frame, you may file a grievance with Health Plan of Nevada.

Expedited (72-hour review) — You may ask for an expedited appeal if your doctor believes that your health could be seriously harmed by waiting too long for a decision and is willing to support this.

We must decide on an expedited appeal no later than 72 hours after we get your appeal. We may extend this time by up to 14 days if you request an extension, or if we request an extension from the State, in order to obtain additional information and the extension benefits you.

If you disagree with the extended time frame, you may file a grievance with Health Plan of Nevada. We will call you whenever possible to let you know the decision. If we are unable to contact you, we will send you a written notice of our decision within two days of making the decision. If you would like your provider to ask for an appeal on your behalf, Health Plan of Nevada must receive written approval from you.

If we decide your request for an expedited appeal does not meet the criteria, we will change it to a standard appeal. We will let you know verbally, whenever possible, and send you written notice within two calendar days. If any doctor asks for an expedited appeal for you, or supports you in asking for one, and the doctor indicates that waiting for 30 days could seriously harm your health, we will automatically give you an expedited appeal.

Other plan details

What do I include with my appeal?

You should include your name, address, member ID number, reasons for appealing, and any evidence you wish to attach. You may send in supporting medical records, doctors' letters, or other information that explains why we should provide the service. Call your doctor if you need this information to help you with your appeal. You may send in this information or present this information in person if you wish or you may authorize another adult to do so on your behalf.

How to file a standard appeal: You or your authorized representative should mail or hand-deliver your written appeal to:

State Fair Hearing

If you still do not agree with our decision, after all of Health Plan of Nevada's appeals have been completed, you can ask for a **State Fair Hearing** by contacting the Nevada Medicaid Hearings Unit at **1-775-684-3704** or 1100 East William Street, Suite 204, Carson City, NV 89701. You must ask for this hearing within 90 days of receiving the final Appeal Notice from Health Plan of Nevada. You may also request a State Fair Hearing if we fail to make our decision in a timely manner that is within the time frames described in this section.

If you need information or help, call the State Medicaid Office at:

Las Vegas: **702-668-4200** or **1-800-992-0900**

Carson City: **775-684-3651** or **1-800-992-0900**

Toll-Free: **1-800-962-8074**

TTY/TTD 711: **1-800-349-3538**

We can help you through the grievance and appeals process. Interpreter services are available. We can help you or your representative get a ride to the hearing. **We are available from 8:00 a.m.–6:00 p.m., Monday–Friday.** You have a right to review your case file, including medical records and any other documents and records used during the appeals process.

Expedited Fair Hearing

An expedited State Fair Hearing can be requested if the time allowed for a standard State Fair Hearing may put a person's life, health or ability to function at risk. The request must be submitted with all of the medical information that shows why a faster process is needed. A request for the rushed Fair Hearing can be made online, by telephone, in person or in writing.

Continuation of service

If you would like to appeal a Notice of Action or Adverse Determination you have received from Health Plan of Nevada, you can request to have covered services you are receiving continued during the appeal process.

You will need to make the request for continuation of covered services within ten (10) calendar days of the date of the Notice of Action if your Appeal involves the following:

- The termination of covered services,
- The suspension of covered services, or
- The reduction of covered services.

Your request for continuation of covered services can be made as long as the continued covered services were ordered by an authorized provider. Your request will be considered as long as the original periods covered by the original authorization have not expired or your request has not exceeded the intended effective date of Health Plan of Nevada's proposed action.

If your covered benefits are continued by Health Plan of Nevada pending the outcome of an Appeal, they will be continued until one of the following occurs:

- You withdraw your Appeal;
- Ten (10) calendar days pass after the notice of action is mailed (unless the enrollee requests an Appeal and continuation of benefits until the hearing decision is reached);
- The hearing officer issues an adverse decision to the enrollee; or
- The time period governing service limits of a previously authorized service have been met.

If the final decision is adverse to you, Health Plan of Nevada may recover the cost of services in dispute furnished during the Appeal to the extent they were furnished solely because of the requirements pertaining to the continuation of services pending the Appeal outcome decision.

Grievances

You have the right to file a **grievance** if you have an issue with:

- Services you received through Health Plan of Nevada
- The care or services you received from one of our doctors or other health care providers
- You disagree with our decision to extend the time frame up to 14 days to resolve your appeal
- You may file a grievance in two ways:
 - Call us at **1-800-962-8074**, or
 - Write to:
Health Plan of Nevada
P.O. Box 14865
Las Vegas, NV 89114

We take your grievance seriously and will try to get it settled to your satisfaction. If you need help filing a grievance, just call our Member Services Department at **1-800-962-8074**. Our representatives will be happy to help you. You must give written permission for someone to file a grievance for you, even your doctor. Oral interpreter services are also available. Once we receive your grievance, the following will occur:

- We will send you a letter within three calendar days. It will tell you that we have received your grievance. Our staff may also contact you to make sure they understand the situation.
- **Within 90 days** of the day we receive your grievance, we will send you a letter letting you know the outcome. We may extend this time up to 14 calendar days if additional information is needed and the extension will benefit you.

Member rights and responsibilities

If you have any questions, call us at **1-800-962-8074**, TTY **711**.

Health Plan of Nevada Medicaid members have the right:

- To be treated with respect and dignity and every effort made to protect your privacy
- To select a primary care provider from HPN’s extensive provider list including the right to refuse care from specific practitioners or to select a specialist as your primary care provider if you have a chronic condition
- To be provided the opportunity to voice grievances or appeals about the plan and/or the care provided and to pursue resolution of the grievance or appeal
- To receive information about the plan, its services, its providers, and members’ rights and responsibilities in a manner and format that is easily understood and in languages (other than English) that are commonly used in the service area
- To participate with your primary care provider in the decision-making process regarding your care, including the right to refuse treatment
- To have timely access to care and services, taking into account the urgency of your medical needs
- To have a candid and easy to understand discussion of available treatment options and alternatives for your conditions, regardless of cost or benefit coverage
- To have direct access to women’s health services for routine and preventive care
- To have direct access to medically necessary specialist care, in conjunction with an approved treatment plan developed with the primary care provider. Required authorizations should be for an adequate number of direct access visits.
- To have access to emergency health care services in cases where a “prudent layperson” acting reasonably, would have believed that an emergency existed
- To have adequate and timely services outside the network, if HPN’s network is unable to provide necessary services covered under your contract
- To have a second opinion, at no cost, from a qualified health care professional within the network or arrangements made for you to obtain one outside the network
- To formulate Advance Directives
- To have access to your medical records in accordance with applicable state and federal laws, including the ability to request and receive a copy of your medical records, and request that the medical records be amended or corrected, as specified in federal regulation
- To have oral interpretation services available free of charge for all non-English languages

- To be free from any form of restraint or seclusion used as a means of coercion, discipline, convenience or retaliation, as specified in federal regulation on the use of restraints and seclusion
- To make recommendations regarding the organization's members' rights and responsibilities policies
- To exercise your rights, and that the exercise of those rights does not adversely affect the way HPN and its network providers or DHCFP treat you

Health Plan of Nevada Medicaid members have the responsibility:

- To know how HPN's Managed Care Program operates
- To provide, to the extent possible, information that HPN and its providers need in order to provide the best care possible
- To follow instructions and guidelines given by those providing health care services
- To maximize your health habits by understanding your health problems
- To participate in developing and following up the health care plan and treatment goals that you, your physician and HPN have mutually agreed upon
- To consult your primary care physician and HPN before seeking non-emergency care in the service area. We urge you to consult your physician and HPN when receiving urgently needed care while temporarily outside the HPN service area.
- To obtain a written referral from your physician before going to a specialist
- To obtain prior authorization from HPN and your physician for any routine or elective surgery, hospitalization, or diagnostic procedures
- To be on time for appointments and provide timely notification when canceling any appointment you cannot keep
- To avoid knowingly spreading disease
- To recognize the risks and limitations of medical care and the health care professional
- To be aware of the health care provider's obligation to be reasonably efficient and equitable in providing care to other patients in the community
- To show respect for other patients, health care providers and plan representatives
- To abide by administrative requirements of HPN, health care providers, and government health benefit programs
- To report wrongdoing and fraud to appropriate resources or legal authorities
- To know your medications. Keep a list and bring it with you to your appointment with your primary care provider and/or other providers, as applicable.

Other plan details

- To address medication refill needs at the time of your office appointment. When you obtain your last refill, notify the office that you will need refills at that time. Do not wait until you are out of your medication.
- To report all side effects of medications to your primary care provider. Notify your primary care provider if you stop taking your medications for any reason.
- To ask questions during your appointment time regarding physical complaints, medications, any side effects, etc.

How do I request disenrollment from my plan?

Disenrollment

If you are new to Medicaid or if you lose coverage for 2 months or more, you can switch health plans within the first 90 days of enrollment. After 90 days, you will be locked into your health plan until the next open enrollment period or you must show good cause for switching health plans. The open enrollment period is October each year or as determined by the State of Nevada.

After this 90-day period, you will be “locked in” to your health plan. You may submit your request for disenrollment to HPN or to the State. If you submit your request to HPN, your request will be forwarded to the State for review. The State will determine if there is “good cause” for switching plans.

“Good cause” can include:

- Moving outside the service area
- Disruptions in long term services and supports because a provider left the network
- Other reasons, including but not limited to, poor quality of care, lack of access to services covered under the Contract, lack of access to Providers experienced in dealing with the member’s health care needs

You can call HPN Member Services at **1-800-962-8074** or the DHCFP District Offices at (Southern NV) 702-668-4200 or (Northern NV) 775-687-1900 to learn more or to request disenrollment.

You may also complete the Good Cause Disenrollment form and email your request for disenrollment to managedcare@dncfp.nv.gov.

Information to include in your request for disenrollment is:

- Member name
- Member Medicaid number
- Member Social Security number
- Member date of birth
- Head of household name
- Head of household Medicaid number
- Head of household Social Security number
- Head of household date of birth
- Current contact information
 - Address and telephone number

The State will mail you a letter with their decision. If approved, you will be disenrolled no later than the first day of the second month following the request.

We hope you will want to stay with Health Plan of Nevada as long as you are on Medicaid, and that you will let us know how we can serve you better.

If you are no longer on Medicaid

You must be on Medicaid to be enrolled in the Health Plan of Nevada plan. If you lose your coverage and are disenrolled from Health Plan of Nevada, the Division of Health Care Financing and Policy office will let us know. Once you are reinstated, you may be auto-assigned as follows: by family affiliation (if other family members are enrolled into a certain health plan); by history (if you were previously enrolled with Health Plan of Nevada, you will be assigned back to us); or randomly assigned.

Nevada Check Up premium payments are due on the first day of each quarter — January 1, April 1, July 1 and October 1. Failure to pay the quarterly premium will result in loss of insurance coverage under Nevada Check Up.

When you should contact us

As you look through this handbook, you will probably notice that we urge you to call us or your doctor often. We are better able to help you when you stay in touch with us. You may ask us for:

- A provider list
- Your rights and responsibilities as a member of Health Plan of Nevada
- Information on grievances and appeals
- Benefits, including how to get them
- Prior authorization requirements
- Family planning services
- After-hours and emergency services information, including how, where and when to get services
- Referral to specialists
- Post-stabilization services
- How to get Medicaid benefits that are not available through Health Plan of Nevada
- Information on the structure and operations of our health plan
- Information regarding quality performance indicators
- Enrollee satisfaction survey results
- Physician incentive plans

Here are some examples of when you should contact us (call Member Services at 1-800-962-8074):

- When you are already getting care when you join Health Plan of Nevada
- With any questions about your Health Plan of Nevada benefits
- If you need an updated copy of this handbook
- If you want to change your/your child's PCP
- Whenever you move, even if you still live within the Health Plan of Nevada service area. Let us know if you plan to leave the service area for more than a month, or move away.
- If your phone number changes
- If you are pregnant, or have a baby

- If you are covered by any health benefits, in addition to your Health Plan of Nevada. For example, tell us:
 - If you have a health insurance policy
 - If you get workers' compensation for a problem that happened on the job
 - If you receive an insurance payment after being in an accident
 - If you are in a car accident or hurt through no fault of your own
- If you have a problem getting the health care you need
- With an issue or concern about Health Plan of Nevada or one of our doctors or other health care providers
- If you think you want to leave the Health Plan of Nevada plan
- If you have a suggestion you think would improve Health Plan of Nevada services or programs

When we might contact you

From time to time, we will send you important information that you should keep with this handbook — like news about:

- Changes to your Health Plan of Nevada benefits or plan;
- Changes to the list of doctors and network of providers you can use; or
- Information about our special programs and benefits.

We may also call you or send you a survey form to ask how you like the Health Plan of Nevada plan and what you think of your doctor and other health services. What you think is very important to us.

We may also send you a letter if you are hurt or injured in a motor vehicle accident through no fault of your own. This letter will ask you to call us and let us know if there is another insurance company that might help pay for your medical care. We call this situation Third Party Liability. All we ask is that you call us and let us know if there is another insurance company; we will contact them. If there isn't, we will pay for the medical care. You are not responsible for the cost of this care.

Health care terms

Health care made simple

A basic understanding of these words will make it easier for you to use your health plan:

Appeal — A way for you to challenge our action if you think we made a mistake. You can ask us to change a coverage decision by filing an appeal.

Copayment — A payment paid by you in order to receive medical care.

Durable Medical Equipment (DME) — Certain items your doctor orders for you to use at home. Examples are walkers, wheelchairs, or hospital beds.

Emergency Medical Condition — An emergency means your life could be threatened or you could be threatened or you could be hurt permanently (disabled) if you don't get care quickly. If you are pregnant, it could mean harm to the health of you or your unborn baby.

Emergency Medical Transportation — Your condition is such that you are unable to go to the hospital by any other means but by calling 911 for an ambulance.

Emergency Room Care — A hospital room staffed and equipped for the treatment of people that require immediate medical care and/or services.

Emergency Services — Services provided in an emergency room by a provider trained to treat a medical or behavioral health emergency.

Excluded Services — Services that are not covered under the Medicaid benefit.

Grievance — A complaint you make about us or one of our network providers or pharmacies. This includes a complaint about the quality of your care.

Habilitation Services and Devices — Services and devices that help you keep, learn, or improve skills and functioning for daily living.

Health Insurance — Type of insurance coverage that pays for health, medical and surgical expenses incurred by you.

Home Health Care — Health care services a person receives in the home including nursing care, home health aide services and other services.

Hospice Services — A program of care and support to help people who have a terminal prognosis live comfortably. A terminal prognosis means that a person has a terminal illness and is expected to have six months or less to live. An enrollee who has a terminal prognosis has the right to elect hospice. A specially trained team of professionals and caregivers provide care for the whole person, including physical, emotional, social, and spiritual needs.

Hospitalization — The act of placing a person in a hospital as a patient.

Hospital Outpatient Care — Care or treatment that does not require an overnight stay in a hospital.

Medically Necessary — This describes the needed services to prevent, diagnose, or treat your medical condition or to maintain your current health status. This includes care that keeps you from going into a hospital or nursing home. It also means the services, supplies, or drugs meet accepted standards of medical practice or are otherwise necessary under current Nevada Medicaid coverage rules.

Network — A directory of doctors, health care professionals, hospitals, and health care facilities that a plan has contracted with to provide medical care to its members.

Non-Participating Provider — A provider or facility that is not employed, owned, or operated by our plan and is not under contract to provide covered services to members of our plan.

Participating Provider — Providers, hospitals, home health agencies, clinics, and other places that give you health care services, medical equipment, and long-term services and supports that are contracted with your health plan. Participating providers are also “in-network providers” or “plan providers.”

Physician Services — Care provided to you by an individual licensed under state law to practice medicine, surgery, behavioral health.

Plan — Plan refers to a Managed Care Organization offering medical services to its members.

Pre-Authorization — A decision by your plan or the DHCFP that a health care service, treatment plan, prescription drug or durable medical equipment is medically necessary. Sometimes called prior authorization, prior approval or precertification.

Premium — A monthly payment a health plan receives to provide you with health care coverage.

Prescription Drug Coverage — Prescription drugs or medications covered (paid) by your health plan. Some over-the-counter medications are covered.

Other plan details

Prescription Drugs — A drug or medication that, by law, can be obtained only by means of a physician's prescription.

Primary Care Physician — The doctor or other provider you see first for most health problems. He or she makes sure you get the care you need to stay healthy. He or she also may talk with other doctors and health care providers about your care and refer you to them.

Primary Care Provider — Physicians who practice general medicine, family medicine, general internal medicine, general pediatrics, or osteopathic medicine. They are responsible to provide, arrange, and coordinate all aspects of your health care. Often, they are the first person you should contact if you need health care. Physicians who practice obstetrics and gynecology may function as PCPs for the duration of the health plan member's pregnancy.

Provider — A person who is authorized to give health care or services. Examples of providers include doctors, nurses, behavioral health providers, nursing homes and specialists.

Rehabilitation Services and Devices — Treatment you get to help you recover from an illness, accident, or major operation to restore you to the best possible functional level.

Skilled Nursing Care — Assessments, judgments, interventions and evaluations of intervention, which require the training and experience of a licensed nurse. Skilled Nursing care includes, but is not limited to:

1. Performing assessments to determine the basis for action or the need for action;
2. Monitoring fluid and electrolyte balance;
3. Suctioning of the airway;
4. Central venous catheter care;
5. Mechanical ventilation; and
6. Tracheotomy care.

Specialist — A doctor who provides health care for a specific disease or part of the body.

Urgent Care — Care when you need to see a doctor and your doctor is not able to see you or the office is closed. Care is needed for a sudden illness, injury, or condition that is not an emergency but needs to be treated right away.

Health Plan Notices of Privacy Practices

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

Effective January 1, 2023

By law, we¹ must protect the privacy of your health information (“HI”). We must send you this notice. It tells you:

- How we may use your HI.
- When we can share your HI with others.
- What rights you have to access your HI.

By law, we must follow the terms of this notice.

HI is information about your health or health care services. We have the right to change our privacy practices for handling HI. If we change them, we will notify you by mail or e-mail. We will also post the new notice at this website (www.uhccommunityplan.com). We will notify you of a breach of your HI. We collect and keep your HI to run our business. HI may be oral, written or electronic. We limit employee and service provider access to your HI. We have safeguards in place to protect your HI.

How we collect, use, and share your information

We collect, use, and share your HI with:

- You or your legal representative.
- Government agencies.

We have the right to collect, use and share your HI for certain purposes. This must be for your treatment, to pay for your care, or to run our business. We may use and share your HI as follows.

- **For Payment.** We may collect, use, and share your HI to process premium payments and claims. This may include coordinating benefits.
- **For Treatment or Managing Care.** We may collect, use, and share your HI with your providers to help with your care.
- **For Health Care Operations.** We may suggest a disease management or wellness program. We may study data to improve our services.
- **To Tell You about Health Programs or Products.** We may tell you about other treatments, products, and services. These activities may be limited by law.

Other plan details

- **For Plan Sponsors.** We may give enrollment, disenrollment, and summary HI to your employer. We may give them other HI if they properly limit its use.
- **For Underwriting Purposes.** We may collect, use, and share your HI to make underwriting decisions. We will not use your genetic HI for underwriting purposes.
- **For Reminders on Benefits or Care.** We may collect, use and share your HI to send you appointment reminders and information about your health benefits.
- **For Communications to You.** We may use the phone number or email you gave us to contact you about your benefits, healthcare or payments.

We may collect, use, and share your HI as follows:

- **As Required by Law.**
- **To Persons Involved with Your Care.** This may be to a family member in an emergency. This may happen if you are unable to agree or object. If you are unable to object, we will use our best judgment. If permitted, after you pass away, we may share HI with family members or friends who helped with your care.
- **For Public Health Activities.** This may be to prevent disease outbreaks.
- **For Reporting Abuse, Neglect or Domestic Violence.** We may only share with entities allowed by law to get this HI. This may be a social or protective service agency.
- **For Health Oversight Activities** to an agency allowed by the law to get the HI. This may be for licensure, audits and fraud and abuse investigations.
- **For Judicial or Administrative Proceedings.** To answer a court order or subpoena.
- **For Law Enforcement.** To find a missing person or report a crime.
- **For Threats to Health or Safety.** This may be to public health agencies or law enforcement. An example is in an emergency or disaster.
- **For Government Functions.** This may be for military and veteran use, national security, or the protective services.
- **For Workers' Compensation.** To comply with labor laws.
- **For Research.** To study disease or disability.
- **To Give Information on Decedents.** This may be to a coroner or medical examiner. To identify the deceased, find a cause of death, or as stated by law. We may give HI to funeral directors.
- **For Organ Transplant.** To help get, store or transplant organs, eyes or tissue.
- **To Correctional Institutions or Law Enforcement.** For persons in custody: (1) to give health care; (2) to protect your health and the health of others; and (3) for the security of the institution.
- **To Our Business Associates** if needed to give you services. Our associates agree to protect your HI. They are not allowed to use HI other than as allowed by our contract with them.

- **Other Restrictions.** Federal and state laws may further limit our use of the HI listed below. We will follow stricter laws that apply.
 1. Alcohol and Substance Abuse
 2. Biometric Information
 3. Child or Adult Abuse or Neglect, including Sexual Assault
 4. Communicable Diseases
 5. Genetic Information
 6. HIV/AIDS
 7. Mental Health
 8. Minors' Information
 9. Prescriptions
 10. Reproductive Health
 11. Sexually Transmitted Diseases

We will only use your HI as described here or with your written consent. We will get your written consent to share psychotherapy notes about you. We will get your written consent to sell your HI to other people. We will get your written consent to use your HI in certain promotional mailings. If you let us share your HI, the recipient may further share it. You may take back your consent. To find out how, call the phone number on your ID card.

Your rights

You have the following rights.

- **To ask us to limit** use or sharing for treatment, payment, or health care operations. You can ask to limit sharing with family members or others. We may allow your dependents to ask for limits. **We will try to honor your request, but we do not have to do so.**
- **To ask to get confidential communications** in a different way or place. For example, at a P.O. Box instead of your home. We will agree to your request as allowed by state and federal law. We take verbal requests. You can change your request. This must be in writing. Mail it to the address below.
- **To see or get a copy** of certain HI. You must ask in writing. Mail it to the address below. If we keep these records in electronic form, you can request an electronic copy. You can have your record sent to a third party. We may send you a summary. We may charge for copies. We may deny your request. If we deny your request, you may have the denial reviewed.
- **To ask to amend.** If you think your HI is wrong or incomplete you can ask to change it. You must ask in writing. You must give the reasons for the change. Mail this to the address below. If we deny your request, you may add your disagreement to your HI.

Other plan details

- **To get an accounting** of HI shared in the six years prior to your request. This will not include any HI shared for the following reasons. (i) For treatment, payment, and health care operations; (ii) With you or with your consent; (iii) With correctional institutions or law enforcement. This will not list the disclosures that federal law does not require us to track.
- **To get a paper copy of this notice.** You may ask for a paper copy at any time. You may also get a copy at our website (www.uhccommunityplan.com).
- **To ask that we correct or amend** your HI. Depending on where you live, you can also ask us to delete your HI. If we can't, we will tell you. If we can't, you can write us, noting why you disagree and send us the correct information.

Using your rights

- **To Contact your Health Plan. Call the phone number on your ID card.** Or you may contact the UnitedHealth Group Call Center at **1-866-633-2446**, or TTY/RTT **711**.
- **To Submit a Written Request.** Mail to:
UnitedHealthcare Privacy Office
MN017-E300, P.O. Box 1459, Minneapolis MN 55440
- **Timing.** We will respond to your phone or written request within 30 days.
- **To File a Complaint.** If you think your privacy rights have been violated, you may send a complaint at the address above.

You may also notify the Secretary of the U.S. Department of Health and Human Services. We will not take any action against you for filing a complaint.
