REMINDER!!!!

ATTENTION PROVIDERS!
Designated Laboratory Provider!

Please remember that Quest Diagnostics is the designated provider for all Health Plan of Nevada (HMO, Medicare and Medicaid), Sierra Health and Life and Sierra Healthcare Options (SHO) insurance plans. Should a member need to be sent out for laboratory services, and they are insured by these plans, their services will need to be performed at a Quest Diagnostics testing center.

If a contracted provider sends a member to a non-contracted lab, the contracted provider may be held liable for the charges.

If you have any questions please contact your Provider Advocate directly or call the Provider Services main line at (702) 242-7088 or (800) 745-7065.
