HEALTH PLAN OF NEVADA (HPN) & SIERRA HEALTH & LIFE (SHL)
To Revise Existing or Add New Healthcare Operations Protocols
Effective July 1, 2019

Health Plan of Nevada and Sierra Health & Life are revising existing or putting into effect new Healthcare Operations protocols. These protocols are used to make Utilization Management decisions.

*A status of “Updated” indicates that this is an annual review and there are no changes to coverage rationale. A status of “Revised” indicates a change in rationale or procedure.

To access the new protocols, go to the Plan web sites at: www.healthplanofnevada.com or www.sierrahealthandlife.com. From the “I’m a,” drop down menu at the top of the page, select “A doctor/provider.” From the “I need help with,” menu, select “Review Protocols,” Then select the category of the protocol you wish to review. Protocols are the same for Health Plan of Nevada and Sierra Health and Life.

If you do not have access to the Internet, you may request a hard copy by calling 702-243-8486.

Thank you.
